Response to Amendment

- The reply filed on 25 October 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has failed to properly elect the claims readable on elected species (c), Figures 4 and 8, in accordance with the Examiner's requirement for Election of Species. Applicant's response providing ONLY a traversal of the species election is improper without electing claims directed to other species, namely the non-election of claims 14, 15 and 17, indicated by the Examiner as non-readable on the elected species. Applicant is required to make such election EVEN IF THE ELECTION OF SPECIES IS TRAVERSED. Applicant is put on notice that further failure to properly elect the claims readable on the elected species in accordance with the Examiner's requirement for Election of Species will be considered a deliberate non-compliant response. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
